The President
SARU.

Dearest Mark, My Brother

In this most glorious of battles Africa is represented by the World Champions, the mighty, fearsome, indefatigable, fearless and blue print for all others, The Springboks (The insephe, Impalampala/Lithakayezi, سبرينغبوكس,)!

We have followed Your success and shared Your pain. We have never feared because we realise that Springboks heal quicker than mere mortals.

Now we join you in what should be the finals! You are the reigning World Champions and you will battle with 15+ of France's finest PLUS 80,023 French supporters at the stadium (Stade de France, Saint-Denis) and 64 million French nationals!!

Africa as one are... we are in excess of 1.4bn. We are not religious. We are spiritual and WE will be the wind that You feel to propel you and to soothe You. Growing together, fighting together, battling together is what makes Africa invincible!

We are proud of You and stand by You in rain, wind, snow and sunshine. Our prayer for You, Mighty Springboks is simple ...

Thou, O Lord, art just and powerful: O Lord defend our cause against the face of the enemy. O God, thou art a strong tower of defence to all who fly unto thee: save us from the violence of the enemy. O Lord of hosts, fight for us; that we may glorify thee.

Go Springboks Go!

Herbert Mensah

President, Rugby Africa.
